ECFC Membership Annual Dues

Industry Membership: Industry membership has 2 different membership dues categories (Plan Administrator/Consultant and Non-Profit Association) and within each membership dues category there are different membership dues amounts based upon the number of employees within your organization.

	<u>Plan Admin/Consultant</u>		<u>Non-Profit Association</u>	
6 & under	\$1,925	500 Ees & Under		\$2,000
7-13	\$3,300	501 – 2,000 Ees		\$3,300
15-23	\$4,650	2,001 Ees & Over		\$4,825
24 & Over	\$5,900			

Plan Sponsor Membership: This membership option is designed for employers who offer, promote or are interested in tax-advantaged employee benefit plans.

Annual Plan Sponsor Membership is \$995.

Associate Membership: This membership option is available to individuals and entities who provide advice and ancillary services to Plan Sponsors and/or Industry Members or who are otherwise interested in the flexible compensation field.

Annual Associate membership Dues are \$495.

Individual Membership: This membership option is limited to only those individuals who are employees of state and federal government, educators, and students.

Annual Individual Membership Dues are \$295.

Pro-Rating of Membership Dues: The ECFC pro-rates membership dues for the *second* year of a membership. This allows all new members to join the organization and enjoy membership for a complete year. In the second year, we will charge you a pro-rated amount to bring your membership renewal date to the following January 1. (Example: should you join and take advantage of membership benefits in April 2011, you would pay for a full 12 months of membership benefits (April to April). However, at renewal time your renewal membership dues would only be for 8 months of the annual ECFC membership dues.
